During our continuing review of the Russ Holmes files, we have come across a record, which apparently was provided to the HSCA, that identifies a list of certain documents containing "information relating to Kennedy assassination from Win Scott's personal files." We are attaching a copy of the record for your reference. We have been unable to locate the following documents recorded on the list:

- Mexico City 4409, dated 2 May 1963
- Memo for File from Scott; Subject: Amb. Mann, dated 8 November 1962

Thank you for your attention to this matter.

Sincerely,

T. Jeremy Gunn
